Beaches:

Coronado Island serves as the closest beach to Found Hotel San Diego. All along Coronado Island there is an array of white-sand beaches. Pick one to lay out at and enjoy your day! We suggest Coronado Beach Dog Park. It's the highest rated beach on Coronado Island. To get there, head a little North from Hotel Del. We suggest you head towards the section of the beach that allows dogs. You can always find some life over on this side. If you want to take some time and lay out on the beach don't forget your towel and sunscreen!

A nice option, if you choose to stay on the Island a little longer, is to grab some firewood and lighter fluid and have yourself a beach bonfire! They have fire pits located on the northern tip of Coronado at the Coronado Beach Fire Rings. Get there early to reserve your spot!
