

## TILT at the Hancock Tower

Experience the Chicago skyline unlike anything or anywhere else with TILT!

Located on the 94<sup>th</sup> floor of the Hancock Tower, TILT is the highest moving attraction in all of Chicago. You, along with 7 others will receive an enhanced view of Miracle Mile as well as Lake Michigan. With floor to ceiling windows and handles to hold on to, guests are able to view the Chicago skyline. For the more adventurous ones, you can literally sprawl yourself onto the rotating windows!

Before experience TILT, spend some time wandering around the Hancock Tower. The exhibits on display have a lot to offer about the history of Chicago, the different neighborhoods and of course, TILT!

Pricing: Adult \$20.50 and Children \$13.50 and TILT is an additional \$7. We recommend booking ahead of time online at [www.360chicago.com](http://www.360chicago.com) to save %10 off your ticket.

360 Chicago Discovery has plenty to offer its guests. The following is what they offer on different days throughout the week. Plan accordingly!

### Sunday: 360 Sky Yoga

Do you like or have ever wanted to try yoga? Here, you can experience yoga unlike ever before! With a weekly class, every Sunday from 9AM-10AM, you can practice yoga on the Observation Deck. Pre-registration is a must and the class costs \$25 per person, general admission included. Bring something to practice on and get ready for a wild experience!

Monday: **360 Tripod Mondays**

Monday is the only day in which guests are allowed to bring their tripod onto the Observation Deck. If photography is something that interests you, we would suggest coming to the Hancock Tower on Mondays from 9AM-11AM.

Tuesday: **360 Sky Guide**

Led by volunteers of the Chicago Architecture Foundation, FREE tours are offered on Tuesdays from 6PM-9PM. This tour allows guest to have a more in depth experience of the Chicago skyline.

Wednesday: **360 Sky Art**

Happening every Wednesday, painters and illustrators are encouraged to pack up their art supplies and bring them to the Observation Deck to capture the beauty of Chicago. Folding chairs will be provided to those who want to participate. This event lasts all day, come and leave whenever you want.

Thursday: **360 Happy Hour**

We suggest checking out the 360 Chicago Observation Deck at night just before sunset. The views from the building are exquisite and TILT lights up! A good day to do this is on Thursdays during their happy hour from 5:30PM-8:30PM. Happy hour will bring you specials on local craft brew, fun board games and a live DJ to enhance the experience!

If visiting us in the summer, every Wednesday and Saturday night, you can experience a firework show happening off of Navy Pier. A great way to view this is from 360 Chicago!
